Wholesale Price List To the Nursery Trade

This price list does not cover everything I grow, but only such stock as I have to offer in quantity. Every square foot of my nursery is under irrigation.

SHIPPING FACILITIES: All plants are forwarded by Express or Parcel Post, the purchaser paying charges. I make no deliveries. For Parcel Post Charges, add ten per cent. extra, to all orders East of the Mississippi and twenty per cent. West of the Mississippi.

REMITTANCES: Should be made by Post Office Money Order, Express Money Orders or drafts on New York Banks. Please send sufficient money with order to cover the whole bill. I decline to send plants Collect on Delivery, and disclaim all responsibility when remittances are not made as above directed. A convenient method of remitting for small accounts is in one and two cent postage stamps. Money should not be sent by mail.

PACKING AT COST: No charge is made for packing when cash accompanies the order.

TERMS: Strictly Cash.

While I may exert the greatest care to have everything true to name I will not assume any responsibility for errors that may occur other than to replace any stock that may prove untrue.

Faithfully yours,

GEORGE L. EHRLE.

speciosum	2.50	18.00

Gypsophila Ehrlei

Taken June 21, 1927

Gypsophila Ehrlei surpasses any that has ever been introduced. It is a distinct new form, early, pure white, double-flowering and not a variety of paniculata fl. pl. An additional feature of this novelty is that its largest crop of flowers is produced before paniculata begins to bloom. After the main crop has been cut, flower spikes still make their appearance until frost. It is far superior to Gypsophila pan. fl. pl. because of the enormous size of its pure white flowers. Flowers were cut as late as November 15th.

The patch of one-year-old plants in the above photo yielded over 1000 bunches which found a ready market and brought a good price.

Strong, grafted, one year { 25 to 100, \$50.00 per 100 } To the trade only. Cash
old, field grown plants { 250 to 1000, \$450.00 per 1000 } or satisfactory reference
